Introducing 360 Advantage!

360 Advantage™ is a preventative care management program through the Affordable Care Act that utilizes our *proprietary protocol* to deliver improved health, tax savings and value-based benefits to employees without reducing their take home pay.

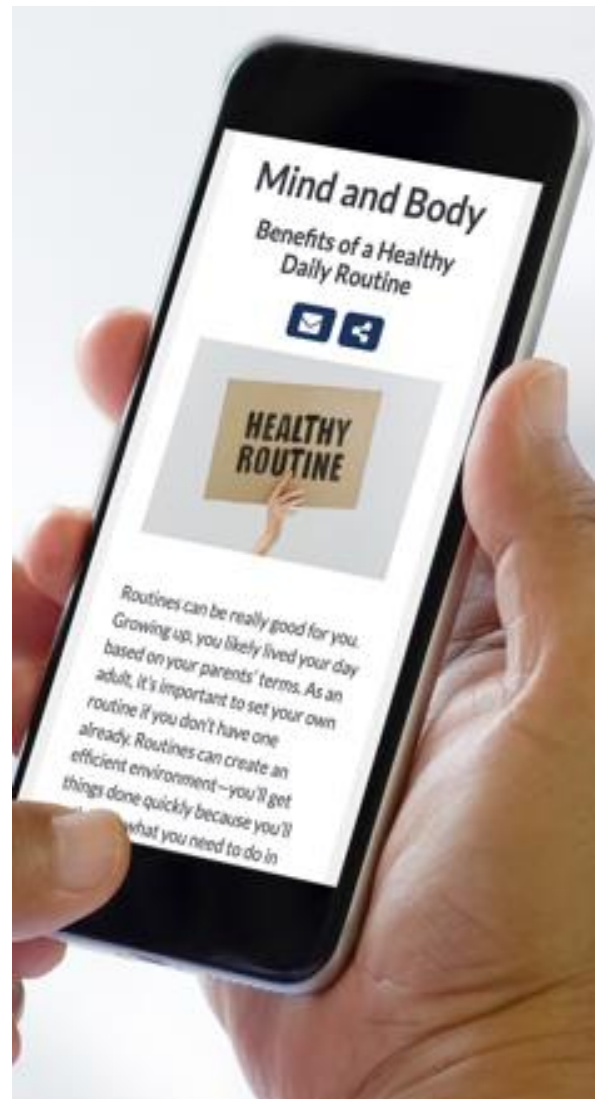

Advantages for the Company:

- Payroll Tax Savings of \$623.70 per Year per Employee (NET of 360's Fees)
- Reduced Employee Turnover
- Happier More Loyal Employees
- Improved Worker Productivity
- Healthier Employees and Lower Healthcare Expenses

There are NO Out-of-Pocket Capital Expenses.

Tax Savings Funds the Entire Program

Healthier employees are more productive employees. Your company reaps these benefits with **NO Disruption** and **NO Plan Changes**.

Employers enjoy a reduction in payroll tax on average of \$600 per Employee Per Year and Employees Save \$1,800 per Year on Average for Supplemental Benefits
